NO. 02-112 before the Federal Communications Commission**
*Section 272(f)(1) Sunset of the BOC Separate Affiliate and Related
Requirements*

Dear Ms. Dortch:

In response to a request from William Dever, Deputy Chief, Competition Policy Division, Wireline Competition Bureau (Bureau), AT&T Inc. (AT&T) hereby supplements its May 4, 2007 filing by providing AT&T Mobility LLC's f/k/a Cingular Wireless LLC's most recent annual section 43.61 International Telecommunications Traffic Report. AT&T previously submitted this report to the Commission pursuant to a request for confidential treatment and does so again in the above-captioned docket.

The information that AT&T is filing today contains material that is extremely sensitive from a commercial, competitive, and financial perspective, and that AT&T would not, in the normal course of its business, reveal to the public or to its competitors. Such material, therefore, is being submitted on a confidential basis pursuant to the *First Protective Order*¹ in this proceeding and is appropriately marked. Accompanying AT&T's confidential and highly confidential information is a request for confidential treatment.

The confidential, non-redacted version of AT&T's response will be made available for inspection, pursuant to the terms of the two *Protective Orders*, as applicable, at the law offices of Sidley Austin LLP. Counsel for parties to this proceeding should contact Brendan McMurrer of that firm at (202)736-8135 to coordinate access after they comply with the terms of the FCC's *Protective Orders*. Parties seeking access to AT&T's confidential documents should first serve the Acknowledgement of
